"Gets-It" Peels My Corns Off!

Any Corn Or Callus Comes Off Peacefully, Painlessly. Never Fails.

It's almost a picnic to get rid of a corn or callus the "Gets-It" way. You spend 2 or 3 seconds putting on 1 or 2 drops of "Gets-It," about as

Use "Gets-It," peel off corn this way,

simple as putting on your hat. "Gets-It" does away forever with "corn-trappings," "wrappy" plaster, greasy ointments that rub off, blood-letting knives, and scissors that snip into the "quick." "Gets-It" causes pain. Your "jumpy" corn shrinks, dries, loosens from the toe. You peel the corn painlessly from your toe in one complete piece. That's where the picnic comes in—you peel it off as you would a banana peel. Nothing else but "Gets-It" can do it. Get peaceful, common-sense "Gets-It."

"Gets-It," the guaranteed money-back corn-remover, the only sure way, costs but a trifle at any drug store. Manufactured by E. Lawrence & Co., Chicago, Ill.

YORK IS TO SPEAK FOR NEGRO GIRL EDUCATION

NASHVILLE, Tenn., June 12. (Sp.)—Col. Alvin C. York has already begun the practice of his doctrine of service above self. He has agreed to come to Nashville on July 3 to speak at a monster mass meeting of negro citizens in the interest of raising funds for a vocational school for negro girls to be erected here. The ground has already been done by a wealthy negro of Nashville and it is the plan to stir the negroes to a high pitch of enthusiasm at the big meeting by having York, Pastor Pile and Gov. Roberts deliver addresses. Both York and Pastor Pile were eager to accept the chance of helping the negroes of the state and will be present.

On July 4 York will attend a big sadder home-coming to be held at Gallatin by the people of Sumner county. York will pay his own expenses. It is not now thought likely that he will go to New York at all and that he will finally turn down all offers made him for writing or entering the movies. He has been importuned by Pastor Pile, Gov. Roberts and other close friends to keep himself from the commercialization and cheapening of his fame and the reputation and glory he has brought to himself, his family, state and nation.

300 TEACHERS WILL STAND EXAMINATION

The schedule of examinations of teachers to be employed by the city board of education was made public by Prof. Wharton S. Jones Wednesday evening just before his departure for Nashville to attend the preliminary meeting of the state board of medical examiners.

A little less than half of this number will be those who have taught in the schools during the year just drawing to a close. High school teachers, graduates of accredited colleges whose work during the year has been satisfactory will be exempt from the examination.

A registration fee of \$2 will be charged. The fund thus collected will be used to purchase educational magazines for teachers during the coming year. The fee must be paid to the secretary of the state board of medical examiners.

The examination of white applicants will be held at the high school and examination of negro applicants will be at the Grant school. The schedule of examinations is as follows:

HUGE CHICKEN DINNER WILL AWAIT SOLDIERS

JACKSON, Miss., June 12. (Sp.)—An old-fashioned home dinner, with fried chicken and pies and cakes galore, will greet the 500 officers and men of the 140th field artillery when they reach Jackson, Friday, afternoon en route from Camp Mills to Camp Shelby for demobilization.

Speeches of welcome will be secondary to the eating program. The housewives of Jackson started work this afternoon preparing the feast, which will be served under the auspices of the Red Cross canteen, and after the stomachs of the boys have been filled with the sort of food they have not encountered in many months, they will be asked to listen to five-minute addresses by Mayor W. A. Scott and Rev. Zeno Wall welcoming them back to Mississippi. The latter was for several months chaplain of the regiment.

The towns of Clinton, Edwards, Bolton, Terry, Raymond and Utica will join in the celebration, each of those communities having furnished quotas for Batteries B and K, originally composed almost wholly of Hinds county soldiers. However, many of the men who enlisted in this organization were sent overseas for replacement, and it is doubtful if any of the companies contain more than 50 per cent of their original quota.

The regiment left Camp Mills on a special train Wednesday afternoon, under command of Col. W. C. O'Farrell, one of its original officers. The length of the stay in Jackson will be largely determined by the hour of arrival, which is uncertain.

The largest representation of any Southern state, Blake W. Godfrey, state secretary for Mississippi, will be a member of the faculty, while Herbert L. Crate, associate "Y" director for the state, will take a prominent part.

It is said the plantation borders on Mississippi, between Menasha and Wapanocca lakes. \$52.50 per acre for the land in 1915. Crittendon county land has advanced rapidly in value, due partly to the splurge system of drainage ditches, levees and highway improvements.
